Andrew Lloyd Webber said, “Having received great critical acclaim in the U.K. and North America, I am really pleased that Laurence Connor’s new production of **PHANTOM** will continue to tour the U.S. playing in tandem with the Broadway production which soon celebrates 30 years.”

Cameron Mackintosh said, “With **PHANTOM** still the reigning champion as the longest-running production on Broadway after 29 phenomenal years, with no end in sight, I’m delighted that this spectacular new production of **PHANTOM** has been as well-received in the U.S. as the brilliant original and has already been seen by over 2.5 million people across North America since it opened in November 2013. With an exciting new design and staging, retaining Maria Björnson’s amazing costumes, the new **PHANTOM** is thrilling audiences and critics alike all over again.”

Cameron Mackintosh’s spectacular new production of Andrew Lloyd Webber’s **THE PHANTOM OF THE OPERA** is presented by Cameron Mackintosh, The Really Useful Group, and NETworks Presentations. Directed by Laurence Connor (who co-directed the new production of *Les Misérables* that is back on tour across North America after a hugely successful revival on Broadway, directed the award-winning new production of *Miss Saigon* now playing on Broadway at the Broadway Theatre and beginning its national tour in 2018, and also directed the stage version of the movie *School of Rock* now playing on Broadway, in London’s West End, and on North American Tour), with choreography by Scott Ambler, set design by Paul Brown, Tony Award®-winning original costume design by Maria Björnson, lighting design by Tony Award®-winner Paule Constable, sound design by Mick Potter, and musical supervision by John Rigby. The production is overseen by Matthew Bourne and Cameron Mackintosh. **THE PHANTOM OF THE OPERA**: music by Andrew Lloyd Webber; lyrics by Charles Hart (with additional lyrics by Richard Stilgoe); book by Richard Stilgoe and Andrew Lloyd Webber; orchestrations by David Cullen and Andrew Lloyd Webber.

Based on the classic novel *Le Fantôme de L’Opéra* by Gaston Leroux, **THE PHANTOM OF THE OPERA** tells the story of a masked figure who lurks beneath the catacombs of the Paris Opera House, exercising a reign of terror over all who inhabit it. He falls madly in love with an innocent young soprano, Christine, and devotes himself to creating a new star by nurturing her extraordinary talents and by employing all of the devious methods at his command.

Cameron Mackintosh’s brilliant original production of Andrew Lloyd Webber’s **THE PHANTOM OF THE OPERA** continues performances at Her Majesty’s Theatre in London and in its recording-breaking run at the Majestic Theatre on Broadway and many other cities around the world.
